Early Dynastic Period (Egypt) - Wikipedia
The Early Dynastic Period is the era immediately following the unification of Upper and Lower Egypt c. 3100 BC. It is generally taken to include the First and Second Dynasties, lasting from the end of the Naqada III archaeological period until about 2686 BC, or the beginning of the Old Kingdom. With the First Dynasty, the capital moved from Thinis to Memphis with a unified Egypt ruled by an Egyptian god-king. Abydos remained the major holy land in the south. The hallmarks of

Early Dynastic Period (Egypt) - Ancient History Encyclopedia
The Early Dynastic Period in Egypt (c. 3150 - c. 2613 BCE) is the beginning of the historical era of the country during which the regions of Upper Egypt (south) and Lower Egypt (north) were united as one country under a centralized government. During this period the divine rule of the kings began and a recognizable Egyptian culture, including the development of writing, arts, and sciences developed.
