Making Representations: Museums in the Post-Colonial Era Heritage Care Preservation Management

Drawing upon experiences of museum staff and communities across the globe, "Making Representations" examines the development of new forms of museological practice. The author also examines the growth of museums, cultural centres and Aboriginal Keeping Places being established by indigenous and migrant communities as they take control of the interpretative process and challenge the traditional role of the museum.

Amazon.com: Making Representations: Museums in the Post-Colonial Era: Heritage Care Preservation Management

Making Representations: Museums in the Post-Colonial Era Heritage Care Preservation Management

The book is a fundamental re-evaluation of the contemporary role of anthropology and social history in museums in the post-colonial era. "Museum journal "Making Representations" is a beautifully double-edged title. It expresses the activity of museums as they display and interpret cultures, but also voices the growing demands of the peoples represented to be involved in the way their culture is presented in museums."
